Subject: 160 years of care at Randwick
Date: Friday, 16 February 2018 2:01:06 PM

Dear Katie

Thank you to both you and Gordy for meeting with me this week

This year we are here at the prince of wales site we the foundation are hosting 160 year celebrations throughout the year

In late march we will recognise the anniversary of the 160 years with the Minister for Health **BUT**

if we are fortunate enough to be chosen by HRH The Prince of wales to visit us either before or after the Commonwealth games then that date will change to April we will launch the history wall in the hospital; calling it t 160 years to the future with the new development for which we are all so excited

Later in the year we hope to be a part of Open Sydney and we will host a gala event in October by renewing our Hollywood nights theme

As part of the 160 year celebrations we are holding this year for the prince of wales hospital site I would like to request from the Randwick city Council support with the availability to have flags in the streets promoting the celebrations we would like to have them up in in late march and extended for 4 weeks or until HRH Prince of wales comes to the hospital (if that does occur)at no cost to the Foundation

Also if the council could support us with funds for the flags, they could state proudly supporting RCC also 160 years old

We have decided to have five different flags

- the indigenous history acknowledging them as owners of the land
- the asylum for destitute children
- the military hospital
- POWH
- The future

I look forward to your response

Thank you xxxxxxxxxxxxxxxxxxxx
