

- 'Peace Garden' with indigenous coastal vegetation, interpretation text & images
- Low mounding with sculptural form to integrate central plaza & 'Peace Garden' with low coastal vegetation
- Small trees on west of 'Peace Garden' to provide shade for visitors
- Central lawn area for informal recreation
- Seats along southern portion of path for viewing to Botany Bay
- Low mounding with native grasses to define park edge & reduce noise from vehicles on Anzac Pde.
- Small trees to reduce visual prominence of bus shelter & provide shade
