

## Development Consent Conditions

### GENERAL CONDITIONS

The development must be carried out in accordance with the following conditions of consent.

These conditions have been applied to satisfy the relevant requirements of the *Environmental Planning & Assessment Act 1979*, *Environmental Planning & Assessment Regulation 2000* and to provide reasonable levels of environmental amenity.

#### Approved Plans & Supporting Documentation

1. The development must be implemented substantially in accordance with the plans and supporting documentation listed below and endorsed with Council's approved stamp, except where amended by Council in red and/ or by other conditions of this consent:

<b>Sheet No.</b>	<b>Drawn by</b>	<b>Dated</b>
Ref: 62997RH – Sheet 1 of 1	Surveyed/ drawn RH/PW	31 October 2018

### REQUIREMENTS PRIOR TO THE ISSUE OF A SUBDIVISION CERTIFICATE

The following conditions of consent must be complied with prior to the 'Principal Certifying Authority' issuing a 'Subdivision certificate'.

These conditions have been applied to satisfy the provisions of Council's environmental plans, policies and codes for subdivision works.

#### Sydney Water

2. A compliance certificate must be obtained from Sydney Water, under Section 73 of the Sydney Water Act 1994. Sydney Water's assessment will determine the availability of water and sewer services, which may require extension, adjustment or connection to their mains, and if required will issue a Notice of Requirements letter detailing all requirements that must be met. Applications can be made either directly to Sydney Water or through a Sydney Water accredited Water Servicing Coordinator (WSC).

Go to [sydneywater.com.au/section73](http://sydneywater.com.au/section73) or call 1300 082 746 to learn more about applying through an authorised WSC or Sydney Water.

A Section 73 Compliance Certificate must be completed before a subdivision certificate will be issued.

#### Easements

3. The applicant shall create suitable rights of carriageway, easements for services, support and stormwater lines, as required. The applicant shall be advised that the minimum easement width for any stormwater line is 0.9 metres.

#### Public Utilities

4. The applicant must meet the full cost for telecommunication companies, Jemena, Ausgrid and Sydney Water to adjust/relocate their services as required. This may include (but not necessarily be limited to) relocating/installing new service lines and providing new meters. The applicant must make the necessary arrangements with the service authorities.

Should compliance with this condition require works that are not exempt development, the necessary approvals must be obtained prior to any works being undertaken.

#### **Road / Asset Opening Permit**

5. A Road / Asset Opening Permit must be obtained from Council prior to carrying out any works within or upon a road, footpath, nature strip or in any public place, in accordance with section 138 of the Roads Act 1993 and all of the conditions and requirements contained in the Road / Asset Opening Permit must be complied with.

The owner/builder must ensure that all works within or upon the road reserve, footpath, nature strip or other public place are completed to the satisfaction of Council, prior to the issuing of a subdivision certificate.

For further information, please contact Council's Road / Asset Opening Officer on 9093 6691 or 1300 722 542.

#### **Street and/or Sub-Address Numbering**

6. Street numbering must be provided to the front of the premises in a prominent position, in accordance with the Australia Post guidelines and AS/NZS 4819 (2003) to the satisfaction of Council.

An application must be submitted to and approved by Council's Director of City Planning, together with the required fee, for the allocation of appropriate street and/or unit numbers for the development. The street and/or unit numbers must be allocated prior to the issue of a subdivision certificate.

Please note: any Street or Sub-Address Numbering provided by an applicant on plans, which have been stamped as approved by Council are not to be interpreted as endorsed, approved by, or to the satisfaction of Council.

#### **Subdivision Certificate**

7. A formal application for a subdivision certificate is required to be submitted to and approved by the Council and all conditions of this development consent are required to be satisfied prior to the release of the subdivision plans.

#### **ADVISORY NOTES**

The following information is provided for your assistance to ensure compliance with the *Environmental Planning & Assessment Act 1979*, *Environmental Planning & Assessment Regulation 2000*, or other relevant legislation and Council's policies. This information does not form part of the conditions of development consent pursuant to Section 4.17 of the Act.

- A1 The requirements and provisions of the *Environmental Planning & Assessment Act 1979* and *Environmental Planning & Assessment Regulation 2000*, must be fully complied with at all times.

Failure to comply with these requirements is an offence, which renders the responsible person liable to a maximum penalty of \$1.1 million. Alternatively, Council may issue a penalty infringement notice (for up to \$3,000) for each offence. Council may also issue notices and orders to demolish unauthorised or non-complying building work, or to comply with the requirements of Council's development consent.

- A2 This determination does not include an assessment of the proposed works under the Building Code of Australia (BCA) and other relevant Standards, as no construction works are approved as part of this consent.
